## Lookers PLC

### Delay to announcement of results

In the final stages of preparing its results for the financial year ended 31 December 2019, the Company has identified potentially fraudulent transactions in one of its operating divisions.

As a result the Board has decided to postpone the announcement of its results until the second half of April.

Whilst the initial findings are not material in the context of the Group, the Board is appointing an external adviser to lead a full investigation into the matter.
